Guidelines~

- Please arrive dressed and ready to go; there is not a changing room available.
- No large rental trucks on the lawn, so please rent your chairs from a local company such as Classic Party Rental or Ventura Rental, and have a family/friend bring them up in their vehicle.
- No outside food or drinks (we can suggest wonderful locations for your group to enjoy a meal at following your Ceremony).

- A Coordinator is not required, but recommended. Please assign a point person for our staff to connect with on the event day. We will ask for that person to serve as ‘gate agent’ – greeting guests as they drive in to direct them to the right place to park.
- Your agreed upon 90 minutes is a fixed time, and if your event begins late for some reason, then unfortunately you may have to end early to stay within the time parameters.

To Book!

- Payment in full is required upon booking, through check sent via FedEx/UPS 2-day service.
- A \$1000 damage deposit check will be required also. If there are no damages to property, the check will be ripped up within 7 days after your wedding date.

Cancellation Policy~

Once your date is booked and monies paid, there are no refunds. If necessary due to your unforeseen personal circumstance, tighter government restraints due to Covid, or natural disaster, we are more than happy to help you postpone to a future date within the next full year. For very inclement weather, the couple can be given the choice to bring in a tent at an additional cost, or postpone to a later date that works for all parties involved.
